NYC Naval Academy Parents Club

A growing New York City wide network of USNA Parent Mentors!

In our inaugural year with parent mentors in all Five Boroughs of New York City.

Providing families and their midshipmen support, encouragement, education and training.

Promoting and protecting the geographic diversity of our NYC Families.

Benefits of Joining the NYC Naval Academy Parents Club

NYC NAPC has name-recognition and a history of interfacing with The United States Naval Academy Admissions. Our membership is diverse, we are parents of current midshipmen, parents of former midshipmen now pursuing their careers in the Navy and Marine Corps, Blue & Gold Officers, and NYC Alumni.

We strive to:

- Advise applicants / future applicants on ways to become more competitive for admission to USNA.
- Help parents become better informed about the Naval Academy, its programs and objectives as well as help Admissions in its diversity outreach effort.
- Recognize the accomplishments of our mids
- Share ideas on coping with the victories, frustrations and defeats while at the Academy.

We're ready to meet the challenge!
